Dear Sir / Madam,

Re: Amendments to Staff Group Mediclaim Policy revised on 01.04.2017

The Governing Board of GIPSA, in its Meeting held on 18.08.2017, referred to the various representations being received for inclusion of independent Parents and Parents In-law under the Staff GMC revised on 01.04.2017, on full premium basis.

The Board discussed the above in detail and agreed that in order to enlarge the population under the Staff GMC and in view of the various appeals received from Unions / Associations, Independent Parents and Independent Parents In-law of the Primary Insured Persons and the Deemed Primary Insured Persons shall be allowed to be enrolled in the Staff GMC on full premium basis, with effect from 01.10.2017.

You are requested to seek approval of the appropriate authority in your Company for the above modification in the current Staff GMC and thereafter commence the enrolment process so as to onboard the defined population with effect from 01.10.2017 on payment of proportionate premium for the current year.
