Re: Letter of Condolence on the tragic loss of life and property due to devastating floods in Nepal.

Your Excellency,

On behalf of the members of the General Insurance Pensioners All India Federation, we are writing to express our deepest and most profound grief over the recent devastating floods in Nepal, which have resulted in a tragic loss of precious lives, widespread displacement, and severe destruction of property.

Words can scarcely capture the sorrow we feel for the families who have lost their loved ones in this natural calamity. The resilience of the people of Nepal in the face of such adversity is well known, but the sheer scale of this disaster has brought immense pain and hardship to many communities. Our thoughts and prayers are with the bereaved families, and we fervently hope for the speedy recovery of those injured and missing.

As fellow citizens of this region, we share a deep cultural and emotional bond with the people of Nepal. During this hour of profound grief and challenging recovery operations, we stand in absolute solidarity with your nation. We have full faith in the strength, courage, and determination of the Government and people of Nepal to overcome this tragedy and rebuild the affected regions.

Please convey our heartfelt condolences to the families of the victims and our deepest sympathies to all those affected by this catastrophe.

May the departed souls find eternal peace, and may fortitude be granted to the bereaved families to bear this irreparable loss.

Yours sincerely,

(U. Banerjee)
General Secretary.
