CHAIRPERSON
Standing Committee on External Affairs

Member:

- Estimates Committee, Lok Sabha
- Business Advisory Committee (LS)
- Consultative Committee, Ministry of Home Affairs, Government of India.

No. 2021/F-1/17723
Date: 23.05.2021

Respected Nirmalaji

I am forwarding a representation received from General Insurance Pensioners' All India Federation requesting your attention. The Applicant Federation seeks instructions from your good office to the Insurance Regulatory and Development Authority of India (IRDAI) to direct all General Insurance Companies regarding necessary inclusion of the COVID-19 vaccination cost in all existing health insurance policies. I believe these instructions will provide relief to masses, ease load on government vaccination centres, increase rate of vaccination and also benefit insurance companies at large.

I request you to kindly consider the suggestion expressed in the representation attached herewith.

With warm regards

Yours Sincerely,

(P.P. Chaudhary)

Smt. Nirmala Sitharaman
Hon'ble Union Minister for Finance
Government of India,
New Delhi.
