Re: Staff GMC – Coverage for Fully Dependent Disabled Children of Serving Employees, Without Age Limit

As advised by GIPSA vide letter dated 10th September, 2021 the Competent Authority has approved modification in Staff GMC, bringing parity between serving and retired employees with respect to coverage of fully dependent disabled children .

Till now, the fully dependent disabled children of retired employee are being covered under Staff GMC with 75% premium upto eligible sum insured being borne by company. As per new amendment, the fully dependent disabled children of serving employees shall be covered under Staff GMC, irrespective of the age of such children, and 75% premium upto eligible sum insured shall be borne by the company. This modification will be effective from 01/04/2021. The dependent disabled children shall mean (a) physically handicapped children or (b) mentally retarded children fully dependent on employee, irrespective of age.

You are requested to circulate this amendment to all offices under your jurisdiction and bring to notice of all beneficiaries.
